A Message To The Class Of 1999 From The Principal

I can remember speaking with you as a group during the first week of school in September of 1995. I remember telling you that the four years that you will spend at Wilmington High School would pass quickly and that so much would happen during those four years. Well, the four years are over and they did pass quickly and you have had many experiences during these past four years. I hope that those experiences have helped you to learn and grow. I hope that some of those experiences have enhanced your education and have helped you to reach your goals.

I know that what you have achieved over these past four years has not been without sacrifice and hard work. Let these accomplishments become your guide to help you to find your own special place in the world. Remember that you are capable of great things. Strive always toward excellence; be fair and open-minded; never be afraid to reach for what you want. Continue to learn and to teach.

I wish for each of you good health, many successes, and most of all a lifetime of happiness. Congratulations and best wishes!

Sincerely,
Mr. Woods

DEDICATION

Mr. Richard "Dick" Scanlon

For many years, the students at Wilmington High School have had a favorite teacher--Mr. Scanlon. Richard "Dick" Scanlon has spent many years teaching in the Social Studies Department at WHS. Not only has he been a very dedicated, caring, and well-liked teacher, but he has also a been a great coach and athlete. Over the years, he has led his soccer and baseball teams through many successful seasons and to numerous tournaments. Mr. Scanlon, the Class of 1999's Teacher of the Year, will be greatly missed and fondly remembered. It will be impossible to replace such a skilled and well-loved man. Mr. Scanlon--we wish you good luck in your retirement! Thank you for your many years of dedicated service to Wilmington High School.

--The Class of 1999

CLASS HISTORY

On August 29, 1995, the Class of 1999 entered the halls of Wilmington High School. We filed into the auditorium for our freshman orientation and received our schedules. A week or so later we filed into the auditorium again for the election of class officials. Dave DeAmato gave us the top ten reasons why we should vote him class president while T.J. Flynn told us that our four years in high school would be the last four years of our lives. When the votes were tallied Mark DiGiovanni became our class president and Joe Delaney became our vice president. It was the first year that WHS would be part of the Cape Ann League; and the field hockey, hockey, and softball teams made it to the state tournament. Sadly that year, we experienced the loss of Mr. Olsson and a shock wave hit the class when we learned that one of our own, Kara Irving, had been diagnosed with cancer. Mr. Flemming made his way around to every classroom to announce that he would be leaving, and Mr. Woods became acting principal. The second ever Freshman Fling was held in the spring, providing a night of music and dancing for the whole class and the junior class girls.

Sophomore year brought a new principal, Mr. Patulea, and Spirit Week. Each day had a different theme and students won prizes at the rally for having the best costumes. The senior lounge was taken away and converted into a little room with a Coke machine. The Sophomore Semi was held at the Knights of Columbus in Wilmington.

Junior year brought yet another new principal-Mr. Woods-as well as a new vice-principal-Mr. Lucia. Rules became stricter as hallway "passports" were needed to walk the hallways and the bathrooms were locked between periods. Block periods made their debut and caused some controversy among both students and teachers. The boys' soccer team made it into the state finals and played Gateway Regional at B.U.'s Nickerson Field. The Junior Prom was held at the Hillview Country Club in North Reading on May 29. Greg Moran was elected king and Kara Irving was queen.

Senior year was another great year for WHS sports teams. It stared with the boys' soccer team making it into the sectional finals. Then the Class of '99 Powder Puff team gave the Tewskbury girls a major upset during a brutal football game. This win opened the door for the varsity football team to stop the Redmen's seven year Thanksgiving Day winning streak with a 14-7 victory. The hockey team also made it into the sectional finals and played Saugus at B.U. The 99-Day Party was held on February 26 and we danced the night away with people we had been friends with for as long as we could remember. The Senior Prom was held on our last day of classes-May 21.

Graduation took place on June 6, and the members of the Class of 1999 closed out yet another chapter in their lives. As freshman, we thought our four years here would never end. The halls seemed as though they would hold us forever. Now we will be freshman again, but not together. We will each go our separate ways, and go through changes on our own. Good luck to each and every member of the Class of 1999!

I would like to thank my family for all their love, support, and inspiration. To my friends; I was going to list you all individually but I couldn't fit everyone. I didn't want to have to cut anyone out so this is to all of you. You know who you are. You have been the best friends anyone could ever have. I have no regrets from my four years of high school. We had the best time of our lives together, especially during the Summer of '98'. I love you; you mean the world to me. So as we part and go our seperate ways, I will remember you all forever and you will always be in my heart. I hope one day we meet up again. AM, KP, AH, BG, WASM, DN, and SS you are my BFF's, and mean everything to me. Keep in touch. "Smile"

FOOTBALL

The Wildcat Football Team finished with another winning season at 8-3. The cats were lead by tri-captins Kevin Finnerty, Dave DeAmato, and Mike Gennetti. Although the cats came up one game short of becoming CAL Champions it was still and exciting season. The boys showed improvement every week and represented the school and community well. The senior football players were grateful that their last game as Wildcats was their best. For the first time in seven years Wilmington defeated Tewksbury on Turkey Day with a 14-7 victory.

FOOTBALL CHEERING

The football cheerleading team had a great season this year. Our new coach, Nancy Sullivan, helped improve the team and led us to a thrid place finish in competition. The spirit and enthusiasm was not only carried out on the football field but also throughout the school. We had a lot of fun this year and appreciated the support we recieved from the football team and other students. We are very excited about the 14-7 win against Tewksbury on Thanksgiving Day. Go Cats!!!!!!

The team included: Angela Downs (captain), Alison Deechan (captain), Nicole Schell (captain), Renee Sbano, Kelly Cavanaugh, Stefanie Sordillo, Kelly Beaudin, Tyler Carlson, Nicole DeBlois, Marianne Vultagio, and Jackie Hanafin.

BOYS' CROSS-COUNTRY

Success. That sums up how the Wildcats faired in 1998. Experiencing a breakthrough season, the team boasted a 7-4 record. This year's squad had enough depth to out duel some tough opponents including the enormous team from Masco. Running with dedication and heart, the team earned the respect of the league. Many milestones were reached by Coach Tom Bradley's team. A new course record was set by Jay Gillis with a time 16:33. Wilmington placed a deserving 11th out of 35 in the state meet in Boston. And the team reached a record of three wins above .500—a feat that hadn't been accomplished in some time. There were many memories made with this season. The team enjoyed 1998 and the weather remained sunny for this hard-working crew. They enjoyed it because they were good. They enjoyed it because of pride. Cross-Country had a good season in 1998.

GIRLS' CROSS-COUNTRY

After some recruting, this year's girls' cross-country team consisted of six highly motivated and dedicated runners. The team included three seniors: Robin Diorio (co-captian), Kathleen Haynes, and Laura Winn. There were also three juniors on the team: Layna Dakin, Jesssica Garbati, and Barbara Tate. We would like to thank all our friends and parents for their support and give a special thank you to Coach Bradley for all his guidance and encouragement.

GIRLS' SOCCER

The girls soccer team was led by co-captins Amanda Lojek and Lisa Dellascio along with seniors Kim Hembree, Kara Irving, and Suzanne Berghaus. The team finshed the regualar season with a record of 7-7-4 and qualified for the state tournament. There, they defeated Swampscott 5-1 and beat top-seeded Mt. Alvernia before losing in the third round to North Reading, bringing their final record to 9-8-4. It was the team's best state tournament run ever. In addition to a great season by everyone, senior Lisa Dellascio was a CAL All-League selection and senior Amanda Lojek and junior Lindsay Bruno were named CAL All-Stars.

BOYS' SOCCER

The boys' soccer team had another successful season as they returned to the state semi-finals for the second straight year. Only an over-time loss to Medway stopped their run for state champs. The team was lead by forwards and captians Dennis Ingram and Justin Vallas. Kevin Forgett and Joe Kane also contributed to the offense. A strong defense up the middle was very important to the success of the team. Sean Cahill, Dan Sweet, and Mark DiGiovanni led a strong defense in front of goalkeeper T.J. Flynn, who had another stong season in net. John Betts and Josh Michaud held the opposing forwards in check from their wing fullback positions. Halfbacks Matt Kacamburas, Pete Bamberg, Kevin Riley, Ryan Covino, and Darren Arciero controlled the middle of the field. Also contributing to the teams' success were Timmy Riley, Mike Hallas, Jeff Cannon, Eric Swyzienski, Jimmy Rourke, and Adam Jenson. After struggling through the middle of the season the team came together and went on a winning streak that carried them into the tourament. The team played and will be remember as one of the best teams the school has had.

GOLF

The Wilmington High School Golf Team completed another successful season in 1998, finishing with a record of 10-5. Under the tutalege of coach Al Fessenden, the team made a trip to the state tournament for the fourth straight year. Seniors Peter Grasso, David Senarian, Dan Tocio, Shawn Haubner, and Shaun Neville, played a major role in the teams' success over the past four years. The teams' success should prosper in the future with the growing number of talented young golfers in Wilmington.

VOLLEYBALL

This year's varsity volleyball team finished up their season with an 8-12 record. The team was basically starting from scratch after losing nine seniors last year. There were four returning players from varsity, one of which was injured. This year's co-captains were Leah Staffier an Jackie Eldridge. The other three seniors on the team were Jen Johnson, Megan Lojek, and Melissa Manet. Overall the team did well and had a good season. Falling one game short of making the tournament was disappointing, but each girl gave it her all the entire season. Jackie Eldridge represented Wilmington as the team MVP as outside hitter. Megan Lojek controlled the floor as the setter with Leah Staffier also hitting outside. Jen Johnson was the middle blocker and Melissa Manet was a back row digger. The JV team also did well this season. It was a very young team and they played their hardest.

FIELD HOCKEY

The field hockey team, led by tri-captains Patrice Mendoza, Rebecca Toto, and Lauren Holloway, and seniors Jen DeSimone and Sue Carrozza capped off their season with a record of 5-8-5. The team lost a tough game against Georgetown in the second to last game of the season (1-0), disappointingly disqualifying them from the state tournament. The team worked hard and played extremely well all season. Congratulations to the team and good luck next year!

WRESTLING

The 1998-1999 wrestling team had a great season finishing with an 10-8 dual meet record. The team had ten wrestlers place in the sectionals and eight wrestlers advance to the states. The team was led by captains Paul Cheney (140), Greg Moran (160), Brian Shea (275), Pat Heffernan (125), and seniors Ryan Clancy (152), Brian Grillo (135), Joel McKenna (215), Dave Senarian (171), and Juan Mayorga (160).

BOYS' BASKETBALL

SENIORS: Peter Bamberg, Sean Cahill, Captain Dennis Ingram, and Rob Perkins

GIRLS' BASKETBALL

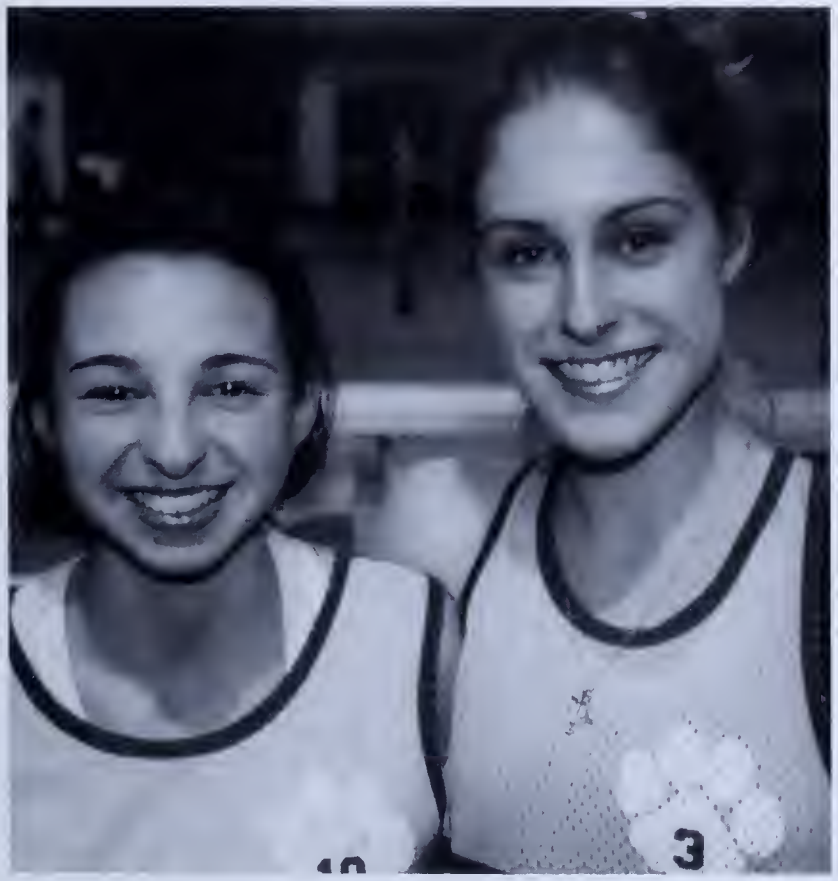
The 1998-1999 girls' varsity basketball team led by senior tri-captains Jackie Eldrige, Emily King, and Renee Sbano (and senior Lauren Groves) finished out their season with a record of 15-5. For the first time in girls' basketball history at the high school, the team placed so high in the standings that it received a home game for the states. The team had an excellent season and will be losing four seniors next year.

BOYS' WINTER TRACK

The 1998-1999 boys' winter track team had one of its greatest seasons to date. The team finished with a 5-2 record and took third in the Cape Ann League. The team also took second in the Cape Ann League Meet. This was the strongest team the Wildcats have had in many years. Some of the big point scorers were Peter Grasso, Matt Kacamburas, Dan Sweet, and Bryan Mather. These athletes took many firsts and helped lead the team to victory. Next year the team says goodbye to the following seniors: Dan Sweet, Ken Stokes, Captain Jason Crescenzo, Captain Mike Carr, Matt Kacamburas, Josh Michaud, Kevin Riley, and Ken "the Emperor" Chin. Good Luck next year!

GIRLS' WINTER TRACK

The season of 1998-1999 was a prosperous one for girls' winter track. The girls' team had been rescued by two new coaches, Amie Baker and Dana Sweet. The team finished the season with a record of 2-7. At the Cape Ann League Meet, the girls finished second overall. Stand-outs were: Barb Tate in the two mile; Lynn Hurley; Laura Winn; and Jessica Garbati at 600 yards; Becky Rufo at mile; Michele Lemos at 50 yard dash; and Kim Gillespie at the 300. Kim also placed first in the high jump. For the first time in WHS history, the girls' track team sent a runner to nationals. Senior Laura Winn ran the 800 meters, and placed 26th in the country. Overall, the girls track team had a great season and expects to improve in the upcoming years.



BASKETBALL CHEERLEADING

Basketball cheering had a very successful season. For the first time at Wilmington High School, the team placed in its league compitition and then moved on to regionals. At regionals, the team came in second place. They then advanced to states where they also had a good showing. Overall, the team enjoyed a very good season.

SENIOR CHEERLEADERS:

Nicole Schell
and Ruth Webb

GYMNASTICS

HOCKEY

The Wilmington High School varsity ice hockey team had a very successful season. They finished with an overall record of 19-3-2. They won their third Cape-Ann League championship in four years, and came one game away from the state championship match. The team had five All Stars this year: Justin Vallas (also voted League MVP), Mark DiGiovanni, Chet Ferriera, Shawn Haubner, and Jay Gillis. Captain Justin Vallas also became the WHS's all-time leading scorer with 135 points. Junior Mike O'Conner played an outstanding year as goalie, making big saves whenever they were needed.

CLASS PROPHECY

The class of 99 begins to arrive at the Wilmington High gym for their twentieth year class reunion. The first to arrive is Ryan Clancy we find him in the corner admiring his biceps. He has finally gone back to RMA, bought it and renamed it "Dexters House of Pain". Chris Cassidy is now the anchor for 6 o'clock news on channel five. He still lives in Wilmington and can be found loitering outside WCTV. Scott Gould lives in Hollywood and is a famous director. He is recently divorced and is now married to his adopted daughter Yoon-Si. After graduation Eric Brassil got an internship at the Boston Globe. He wrote an article, which his editors thought he plagiarized. He ended up suing them for millions of dollars and now he plans to run for president. From her experience at Harrows, Dianne LaRoque opened her own chain of restaurants called Dips. This chain recently passed McDonalds in most people served. Finally John Hurst has upgraded his lawnmower powered Mustang to a pimpin' 5.0 with a saleen spoiler. Because he loved them so much, Andy Mutter led a coalition to bring back Beavis and Butthead. Bunghole!!!! Shawn Haubner was in a freak accident while cleaning his tailpipes. Shawn's fingers were sliced off except for his index and pinky finger. Leaving his hand in a permanent "Mo" symbol. He thought it looked so cool, he decided not to have reconstructive surgery. They all urge you to visit Bernies on 22 Marjorie Rd. Ryan Covino became the owner of REMAX executives and recently coined the term. "That was a phat play". Mike Gennetti finally found a barber that he likes and doesn't talk about Italian food. After his great experience with DECA, Jim O'Donnell decided to pursue a career as a DECA nationalist chief coordinator. Now he is back at WHS teaching marketing management. Now he and Frannie chat in the teachers cafe. Stephanie Johnson is currently married to Dave Matthews. They are now on tour on a double decker bus in London with their seven children, two dogs, a cat, and one fish. Kristen Walsh and her love Ralph are still running from the law after a life full of crime which started at the 1998 Tewksbury Senior prom. They are the new era Bonnie and Clyde. If you want to contact Kristen or Amanda Lojek you can find them at Town Park catching pop flies between 10 and 11:30 at night. Since Kelly Cochran is allowed to stay out past ten, Andy Mutter decided to pop the question. They are tying the knot at a drive-through wedding chapel in Las Vegas. All except the WHS class of 2002 are invited. Kara Irving is a fashion designer in New York. She designs outfits for actors Mike Carr, and Beth Capotosto for the Academy Awards. After being shunned from Hollywood Mike is working in a Miami dinner theater in "Death of a Salesman" after he starred in Ace Ventura IV. BONSOIR!!!!!!!!!! Melissa Wolfe is now making millions from her new hit movie starring herself as "Bruiser the Beam Queen". Creatine spokesman T.J Flynn was a body-builder but had to quit competition due to his kidney and liver damage from all his muscle supplements in high school. Sean Murphy goes to Washington to protest all government acts. Lisa Dellascio will be the star of the gold medal US women's Olympic soccer team. After finding her true love Todd #10 from the Cardigan Hockey team she divorces Kyle and remarries Todd at Salvation Army. Delia Rebelo saves all the troops in Kosovo making her a national hero. She receives the Congressional Medal of Honor. Satisfied after taking so many pictures of hot guys and finally getting her diploma, Suki becomes the principle of Wilmington High. Jackie Eldridge becomes the star player of the WNBA team until she hurt her knee and was once again warming the bench. Mark DiGiovanni became the UN peacekeeper and is currently running for president against TJ Flynn (who is still bitter about his loss to Joe Delaney in high school) These will be the last four years of your life!!!!!!!!! Eric Hiltz is in the NFL playing for the Patriots and making millions of dollars. Zack Pidgeon retired his SINNER trenchcoat and became the next Bill Gates. Jen Stairs has been through approximately 1,000 cars now and owns stock in Ford. Janet Shine is still in high school. Meaghan Berry currently lives in Maine with her husband Matt. Nobody but the WGSA ever saw them again after graduation. She invited them up for a Berry reunion and a book signing for her new best selling novel "The Kitchen Table". Julie Tentindo lives in a yellow house with a porch. She works at the Wildwood as a kindergarten teacher where Mrs. Houle still thinks she and Rob are together. Five years later when Rob comes home she finally informs him she has been seeing someone else. Laura Winn leads an artistic revolution called Winnieism. She and Matt Kacamburas become household names while training for the Olympics. Megan Lojek often calls upon Laura so they can collaborate on new innovative art forms. Megan now owns her own graphic design company. Patrice Mendoza also trains for the Olympics in field hockey she now owns the Dunkin' Donuts franchise worldwide. She finally reunited with "The Earth". While performing on Broadway, Lisa Lippiello, trips and falls offstage landing into the arms of her new husband Ryan Phillipe. Ruth Webb and Dan Sweet pooled their money and bought out Abercrombie & Fitch. After Kerin Parker beats the school record for push-ups she opened her own gym called Kerin's Fitness Center. Steph DaSilva now owns the Fashion Bug chain and lives the high life with her 18 children, who she ships around the world to private schools. Charlene Tamilio couldn't come because Greg wouldn't let her and Dave Senarian couldn't leave the PGA tour. He is now at Pebble Beach golfing, you can catch him on ESPN. Alison Deechan started her own Tanning salon called Tan-o-rama. If you need to reach her go to Bed #3. After her hair fell out, Rebecca Toto became a wealthy hair stylist. She is Sinead O'Connor's personal hair stylist. Lianne Fogg becomes an Escort to all of her boyfriends. Gaelle Kermarrec still works at the mall. Amanda Longo, now an active member of Wilmington's PTA got married after high school and has 3 kids. After spending 8 years in medical school Adrienne Huynh became the Taekwondo World Champion. Chet Ferrelra becomes an A student and a hockey hero, he and Melissa Manet are still together. When Melissa arrived she accidentally crashed Kenny Ward's car into the side of the school. Titi Siriphan now owns Simards and makes millions of dollars for her 24 hour express service. After dropping out of college due to stress Jamie Jordan now lives in a green house full of tulips where she feels she is safe from anxiety attacks. Rob Perkins and Kenny Branley are the first to try out the prosthetic lip designed by Brian Thresher. Peter Bamberg spends his days trying to find Matt and Meaghan up in Maine. Suzanne Berghaus's album is number one on all the pop charts. John Betts and Laura Winn finally found out that they really are twins. Josh Michaud and Kevin Riley become CEO's to the Gillette Company. Lauren Groves and Mick Moroney got married. Lauren is in the Guinness book for the longest toes ever. She travels the country preaching her words of wisdom. Kim Carroll couldn't come because she is still grounded from the New Years Eve party back in 1999. Justin Vallas just divorced Lindsey for the fifteenth time. Jen Bruce and Nicole Schell are competing for the title of Miss America. Kenny Chin is now a famous drummer. Dennis Ingram, Peter Grasso, and Greg Moran didn't show up to the reunion because they are home watching the basketball game. Angela Downs is a preschool teacher. She and Ms. Lippy eat paste together when the kids are out at recess. Kristen Finnerty now holds the title for WWF wrestling. Kevin Finnerty drives a tank for the Army. The Haynes twins live with Chris Cino and Dan Devine. Lauren Holloway dumps Dan and marries Jason Priestly (the real Brandon Walsh) . Renee Sbano and Emily King are in the WNBA. Renee has opened a dance club, but the only way to get in is with a VIP pass. Sean Cahill is a professional mime due to his lack of speech. Kristen Cipriani is a famous photographer for TIME magazine. Alex Webber was the last one to arrive. He made his grand entrance by doing the "worm" and breakdancing in the middle of the dance floor. Everyone else was late for the reunion and the hall monitors wouldn't let them in due to the new tardy policy. Overall it was a great night for the class of '99.
